We know the financial challenges you face in your business

Hi xxxxxxx, we know running a business like yours profitably can be a struggle, let alone growing and developing it. But success can be really fulfilling. We've been in café, restaurant, and bar businesses for nearly 10 years now and would like to help you with your business. Are you limited by financial constraints? Do you have any of these issues...

- ***Stressed-out not being able to pay suppliers or unexpected bills on time?***
- ***Frustrated with lack of capital to grow your business to where you want it?***
- ***Wanting to increase productivity and efficiency with new equipment?***

We're catering industry loan specialists who can arrange a **quick and flexible loan** for you at competitive rates to give you a hand-up. But that's not all...

We offer free advice, if you need it, to operate your business more successfully

In the attached brochure you can find out more about getting a loan to:

- capitalise on opportunities in your market so you don't 'miss the boat'
- get a cash injection for low cash-flow or short-term credit needs
- get financial help if the banks have declined your loan request.

For free business advice, or to tell us your financial needs or get a free quote for a loan, call us on **0800 707 245** or **contact@cautelacapital.co.nz**

Yours faithfully,
Cautela Capital
